

### TEST RESULTS

#### 16 CFR 303: Label Review

This product does meet requirements set forth by 16 CFR 303: Rules and Regulations under the Textile Fiber Products Identification Act.

1. Is the product covered under the Textile Fiber Products Identification Act?  
 Yes  No
  
2. Verify the presence of:  
Country of origin (COO) on the front of the label:  Present  Not present  
Fiber content:  Present  Not present Body: 96% Cotton, 4% Spandex  
RN# or manufacturer ID:  Present  Not present, RN# 140593  
Care Instructions:  Present  Not present
  
3. Verify that the label is securely affixed to the product.
  - a) Each textile fiber product with a neck must have a label disclosing the country of origin affixed to the inside center of the neck midway between the shoulder seams or in close proximity to another label affixed to the inside center of the neck. The fiber content and RN or name of the company may be disclosed on the same label as the country of origin or on another conspicuous and readily accessible label or labels on the inside or outside of the garment.  
 Present  Not present  N/A
  - b) On all other textile products, the required information shall be disclosed on a conspicuous and readily accessible label or labels on the inside or outside of the product. The country of origin disclosure must always appear on the front side of the label. Other required information may appear either on the front side or the reverse side of a label, provided that the information is conspicuous and readily accessible.  
 Present  Not present  N/A
  
4. Verify that COO is not covered or obscured by any other label  
 Yes  No
  
5. Verify that all parts of the fiber content info are in type/lettering of equal size and conspicuousness.  
 Yes  No
  
6. Verify that disclosures are in the English language.  
 Yes  No

*\*This report is to supersede previous report WOA00053126 dated May 8, 2013\**

- 7. Verify that the words of required disclosures under 16 CFR 303 or 16 CFR 300 are not abbreviated, designated by ditto marks, or placed in footnotes (except to abbreviate country names).  
 Yes    No
  
- 8. If product is sold in pairs (ex. Gloves), only one part of the pair needs to be labeled. If both pairs are labeled, verify that the information on both of the labels match.  
 Yes    No    N/A
  
- 9. If product is sold as a set (ex. Table cloth and napkins), verify that information is on one label even if the fiber content is not the same for all parts of the set. Verify that the label in this case separately identifies the fiber content of the components.  
 Yes    No    N/A
  
- 10. For packaged hosiery products, verify that the package has a label listing all of the required information and the information on the package is applicable to each of the products in the package. Each piece of hosiery need not have a label.  
 Yes    No    N/A
  
- 11. For socks, verify that the front of the package has the COO info and is placed adjacent to the size designation if the size designation is on the front of the package. (For socks included in a package that also contains other types of goods (such as a baby outfit that includes socks as well as other items of clothing), the adjacency of COO to the size designation of the socks on the front of the packaging is not needed.)  
 Yes    No    N/A
  
- 12. For other products sold in packages, verify that the required information is on each item in the package, as well as on the package itself. However, if the package is transparent, and the required information on the labels can be read without opening the package, the package need not be labeled. The required information is COO, RN # or manufacturer identity, fiber content, and care instructions.  
 Yes    No    N/A
  
- 13. Verify if a claim about the fiber content appears elsewhere on the garment, such as on a hangtag or a sleeve label, it must mirror the garment's fiber content label.  
 Yes    No    N/A
  
- 14. Verify garment fiber content test report with fabric test report (wherever applicable)  
 Satisfactory    Unsatisfactory    N/A
